Experience

Freelance Graphics Designer

2020 - 2023

During my work immersion as a graphics designer, I delved into the realm of visual creativity and design. I crafted compelling visual assets, ranging from logos and illustrations to marketing materials, utilizing industry-standard software and tools.

Work Immersion

Computer Technician and Sales

Gilmore Sta Maria Bulacan

2019-2020

During my work immersion as a computer technician, I became adept at diagnosing and resolving hardware and software issues. Collaborating with a skilled team, I provided excellent customer service while honing my technical expertise. This immersive experience solidified my passion for computers and equipped me with practical skills for a successful career in the field.
